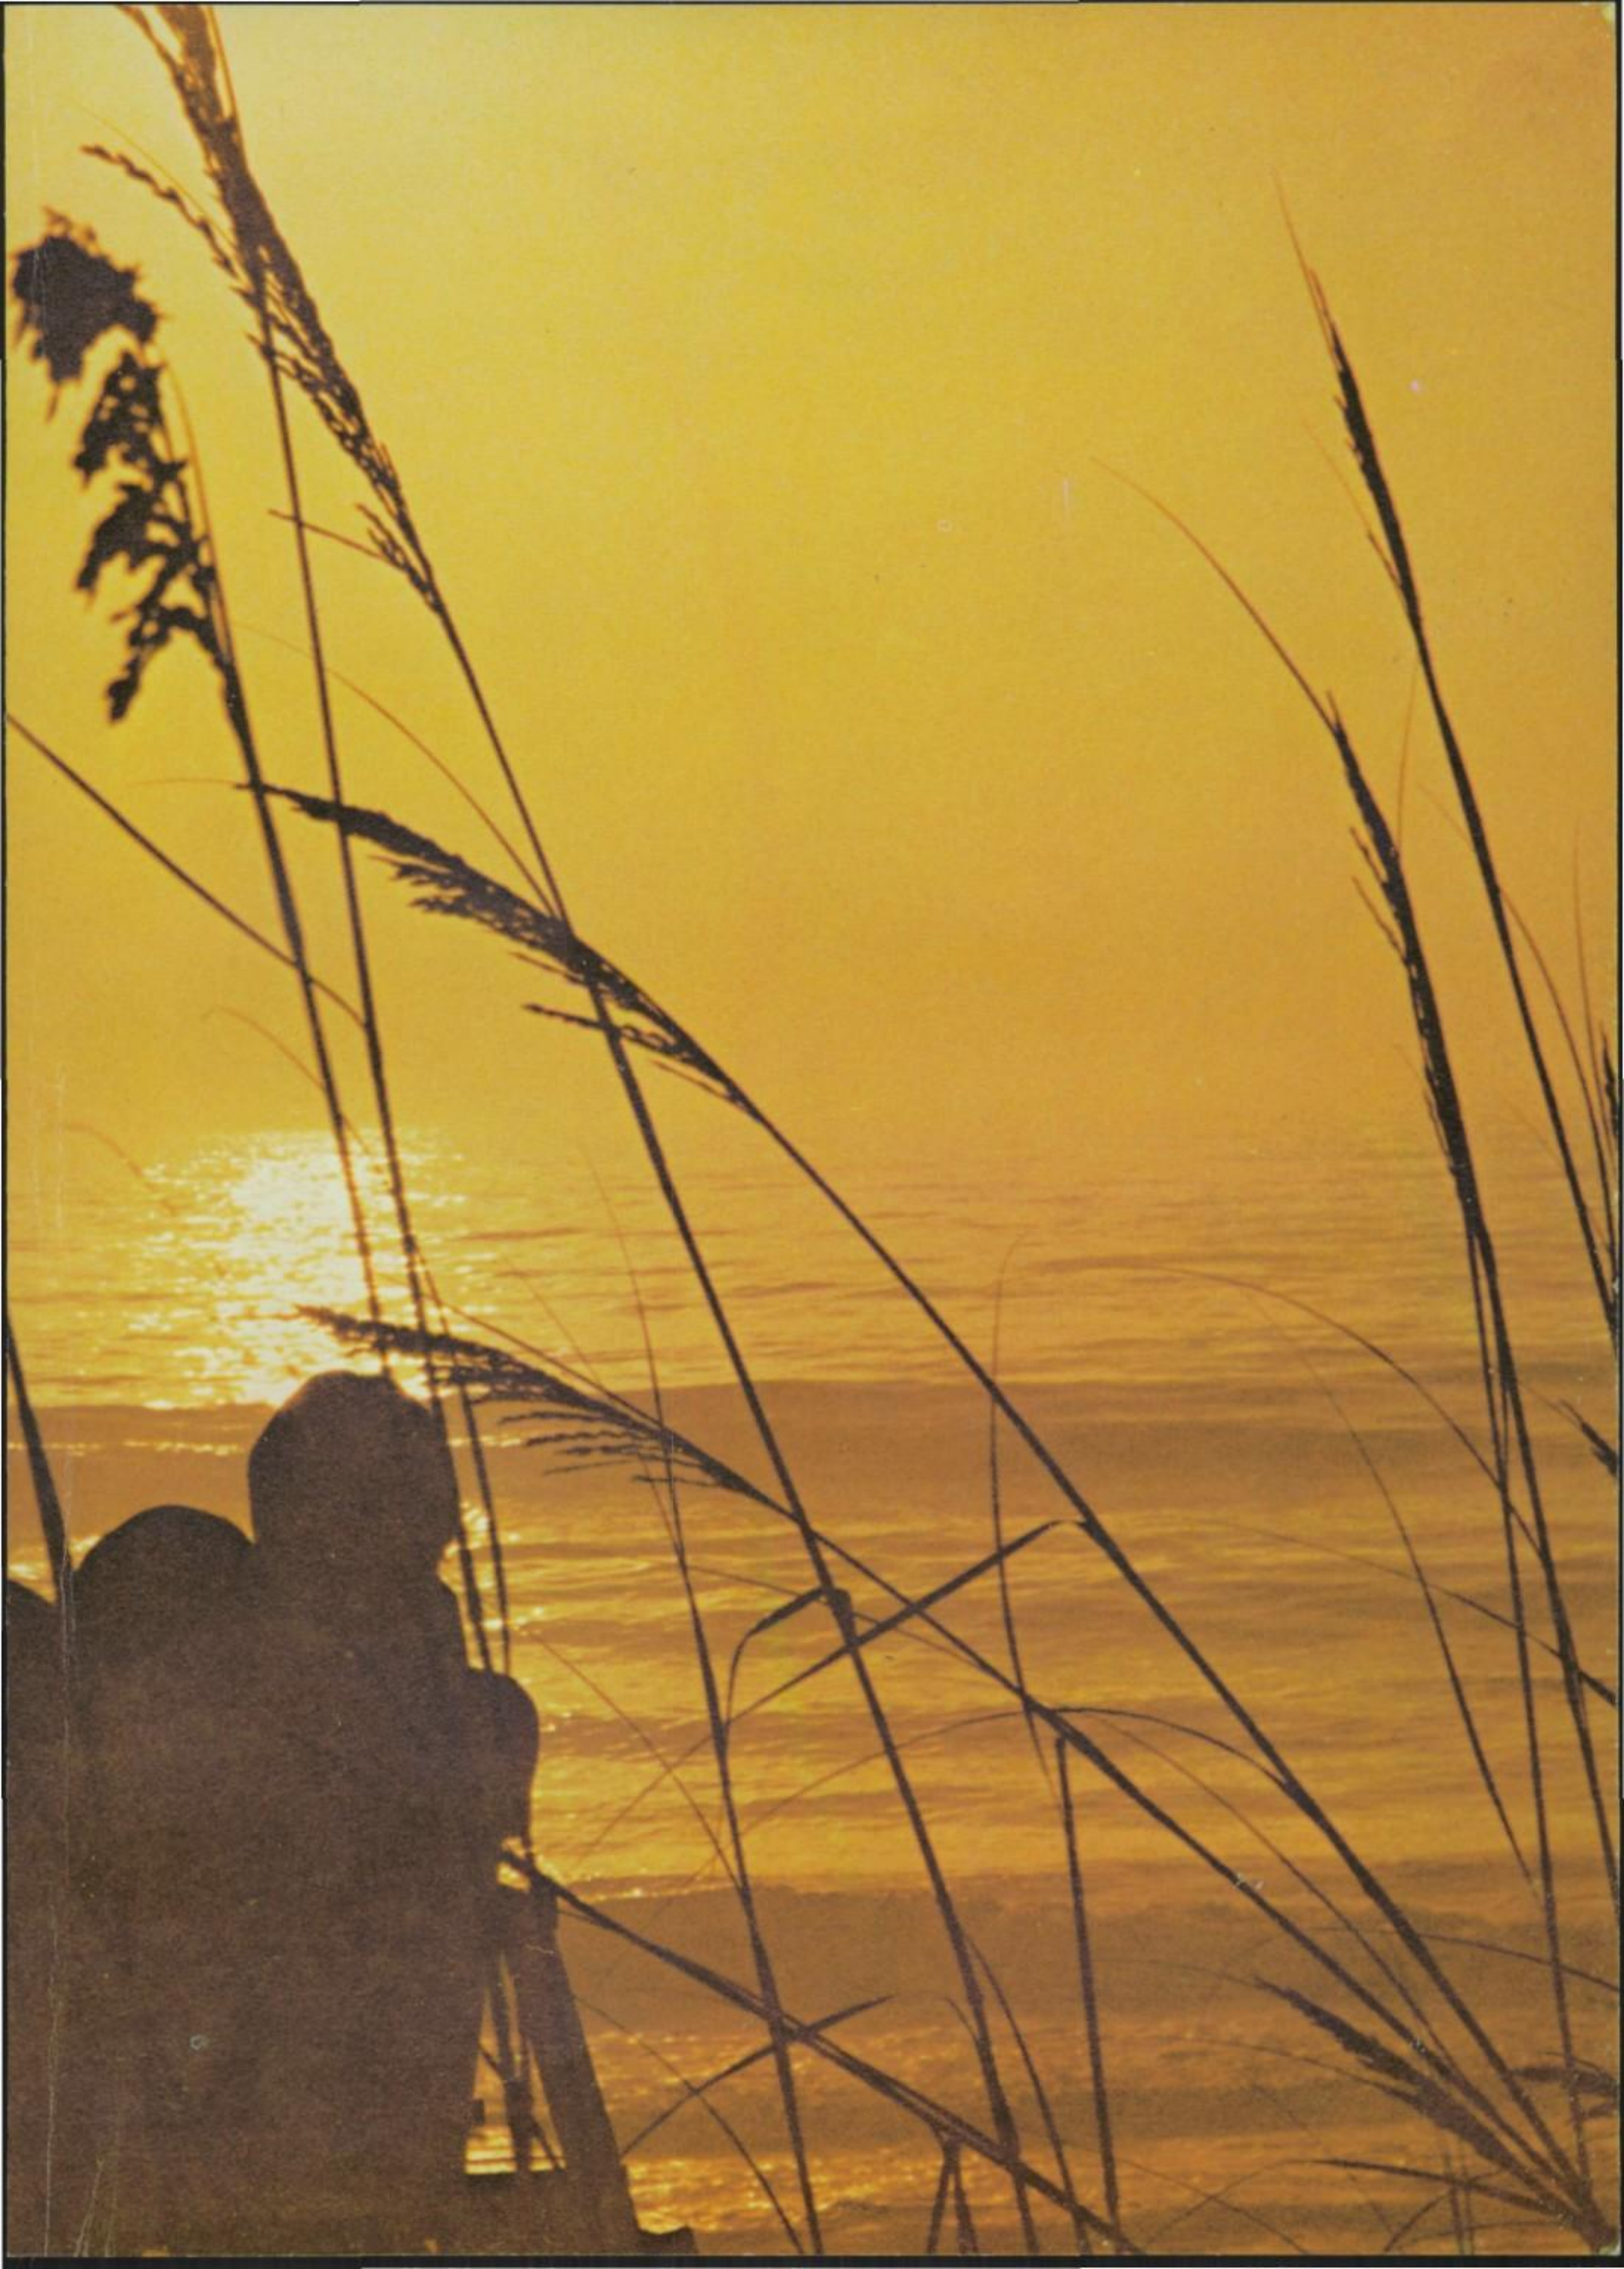
WOLVERINE



DEDICATION

This years annual is dedicated to an individual who has done many wonderfu
things for the students and school. She possesses a charming personality and is
delightful person. She is an excellant cook and performs miracles with the food she
has to work with for our school lunches. We are all very grateful to have her here.
To show our appreciation, we dedicate this annual to MRS. NORA COOPER.

Practically every day a student tells me "I could have done better if I had tried." I believe it is true in every instance. It seems funny, but I said the same thing when I was a student. Why is it we don't do better when we know we could if we tried?

What do you want more than anything else in the world? How quickly could you give a serious answer to that question? Of course many of the greatest thinkers of all times have spent their lives seeking the answer. Nevertheless, each of us must resolve the question in one way or another. Unfortunately, some of us go through life reacting and accepting events as they come.

Each of us is given a certain amount of talent. What we do with it is largely up to us. If we hope to have control over our own destiny, we must seek self-understanding to know what we want. Then knowledge, experience, and judgement.

This is not an easy assignment, but the secret is to try. If we set our goals and consistently work towards them each day step by step we stand a good chance of success. In the words of Henry Wadsworth Longfellow:

Life is real! Life is earnest!
And the grave is not its goal;
Dust thou art, to dust returnest,
Was not spoken of the soul.

Not enjoyment, and not sorrow,
Is our destined end or way;
But to act, that each to-morrow
Find us farther than to-day.

IN MEMORY

MR. STAN FRIESE

" . . . he was the quietest, gentlest, lovingest,
smartest and finest man I knew . . . "

The above words were written by a young friend of Stan Friese, former Superintendant of Alaska State Operated Schools and Principal of Ninilchik High School. Stan died of cancer on October 23rd. Many of you knew Stan and were present at the memorial service to honor his memory with his wife, Sue, his daughter, Nancy, and each other. For those of you who weren't there or who didn't know Stan, I would like to share some of the feelings that Clark Whitney expressed about him.

"He was a man dedicated to serving what he considered our Country's most valuable asset - as evidenced by his many years in education. On numerous occasions, I've watched him wrestle with problems that caused great personal concern. Yet, his calm forbearance and courage, coupled with a sincere desire to extend a helping hand, carried Stan and those around him over many obstacles. A man who would seek advice, explore, and yet was not afraid to make decisions. From his early days in Wrangell during World War II when he and Sue started that first Boy Scout Troop untill his death did he cease to love and appreciate those around him. His loss will be impossible to fill. On behalf of all those who have known and loved Stan, I thank Sue and Nancy for sharing him with us."

Clark has put into words what those of us who were close to Stan so deeply feel.

ORGANIZATIONS

JOURNALISM

From left to right: Lisa Hansen, Gary Toombs, Donnava Ostrander, Kim Taylor, Danny O'Dell, and Ms. Brett, sponsor.

This year's Wolverine Wrap-Up staff consisted of five dedicated journalism students who attained excellence in the field of journalistic writing.

In the APA journalism contest, sponsored by the University of Alaska, the staff placed 2nd in photography and 2nd in advertising. Congratulations—you did a fine job.

This years yearbook staff has strived to produce the best annual to date. Laurie and Sharon returned to their second year as the editors and have done a remarkable job. The staff would like to thank the faculty and students for their cooperation and patience in the making of this book.

Ms. Brett and Mr. Schaetzle put together a photography class the second semester to teach the students the proper way of operating the 35mm camera and darkroom techniques. The students left the course knowing that there is more to a camera than just focusing.

VARSITY

From left to right: Eric Hanson, Gary Toombs, Donny Curry, Eric Skjold, and Keith Presley. Hail Varsity . . . A long season finally ended. A very slow beginning with losses to Seldovia both at home and across the water. Weather changed abruptly after trouncing Victory High, and all "greeness" rubbed off. Assistant coach Keene entered picture and this additional experience helped the boys salvage their season with a convincing victory over Abbott Loop Eagles, the team that almost beat ACS, the no. 1 seated squad. The boys ended the season with their third win over Cook Inlet, thus capturing third place in the Region II first tournament. Don Curry made honors on all-tournament team. A slow beginning but a beautiful ending. Thanks Loads . . .

Some goals take a long time before they are realized . . . and this J.V. team reached at least one long sought for . . . nabbing the Homer J.V. on their own court by two points, then thrashing them in a most convincing style on the home court. Just two of the many victories these promising athletes picked up. Good effort . . . Excellent material for 1981-82 . . . a tall team, too . . . almost a first for N.H.S. Future looks bright for these stalwarts . . . Hurry up, 1982 . . . Reg. II . . . here we come as No. 1.

The term "young blood" benefits these faithful seven . . . 1 junior, 2 sophomores and 4 freshmen. While experience was not a starting factor the girls caught on quickly and soon made their presence known on the courts of Reg. II teams and even some of the local premises on the Kenai Peninsula hardwoods. A fairly high scoring team . . . these gals played hard and consistently and will do well the coming year. A good effort and a good season from seven fine athletes . . . let's go girls . . . next fall.

Thanks much . . . [redacted] Curry.
